| 18 March | Charles Messier - & his marathon |
| 15 April | Houston, we have a problem... |
| 20 May | Light pollution - the light not so fantastic |
| June | Society Outing (TBA) |

Meetings are held on the third Wednesday of each month at St Mary's Church Hall, Greenham, RG19 8RZ. The meetings run from **19.00** sharp, to about 21.00, and consist of short talks and practical sessions with, if it is clear, sky watching using a variety of different telescopes. We also produce a monthly Beginners' Magazine which is downloadable from our website at www.naasbeginners.co.uk

The talks are aimed at beginners of all ages and anyone is welcome to attend, all you need is an interest in astronomy. Children must be accompanied by a responsible adult. Please dress warmly for the observing, especially during the winter months!

Full annual membership of £20 (reduced for children under 16 & those over 60) covers entry to both main speaker meetings and beginners' meetings, but casual visitors are welcome. To cover our costs there is a visitor fee of £2 per meeting for adults and £1.50 for children - which includes refreshments during the break.

For more information, please visit our website on: <http://newburyastro.org.uk/> or email: newburyastro@gmail.com. You can also contact us by phoning: Steve Harris on 01635 860047, or Nic Fleet on 01672 563859
