All future Meetings will be online 'Zoom' meetings on the third Wednesday of each month starting at 19:00 (7 o'clock) until further notice. We produce a monthly Beginners' Magazine that is published online at: [www.naasbeginners.co.uk](http://www.naasbeginners.co.uk)

The short talks are aimed at beginners of all ages so everyone is welcome to attend all you need is an interest in astronomy. Children are welcome to join our meetings but should be accompanied by a responsible adult.

There will be no annual membership subscriptions for these on-line meetings.
